

QMUNITY

Older Adults & Seniors Program

QMUNITY's Older Adults and Seniors program offers opportunities for community connection, social support, and personal development for folks 55+. To do this work well we need an amazing group of caring and committed volunteers able to offer consistent support to folks accessing QMUNITY programs and services.

Our model has shifted, and we are looking to recruit volunteers in seasonal cohorts (up to) three times a year. These volunteers will be given speciality training in working with older adult and senior populations; building dementia friendly communities; and supporting queer, trans, and Two-Spirit communities.

Volunteer Opportunities: While most volunteer opportunities with the Older Adults and Seniors Program will require competency in all three areas, volunteers can select which areas of support they are most interested in. The three types of Senior Program Volunteer Opportunities include:

Outreach Support – assist with promotion and outreach by phone, email/mail, in-person (canvassing or tabling), contacting older adult / senior populations and community partner organizations, etc.

Activities Support – assist in QMUNITY events, workshops, and drop-in activities (including hosting and engaging with older adult/ senior attendees)

Social Support – support seniors by phone, in person, and during QMUNITY events and/or connect with seniors in person during friendly visitor program visits, either one-on-one or in pairs. This may include social assistance with social and recreation activities, local short walks or coffee/tea at a coffee shop.

Responsibilities:

- Assist with hosting and supporting older adult and senior attendees at events, workshops, and drop-ins.

- Assist with calling older adults and seniors on QMUNITY's call list to inform them of upcoming social events, including checking in on priority seniors who may be experiencing loneliness or social isolation.
- Travel locally as needed within Metro Vancouver* (relevant only for Friendly Visitors volunteers).
- Research and draft entries for the Queer Directory.
- Work collaboratively within a strong team culture.

Time commitment:

- Applicants must be able to commit to a volunteer period of 6 months (minimum).
